

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 5, 1996

SUBJECT: **SB 3068 - HB 3099**

This bill, if enacted, provides that all actions relative to a sports authority required or authorized for the governing body of a municipality may be accomplished by resolution that may be adopted at a regular or special meeting, shall take effect immediately upon adoption, need not be published or posted, is not subject to veto by the chief officer of the governing body, and that there need not be more than a majority vote of all the members to pass the resolution.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government expenditures to the extent that resolutions that would be posted or published in the absence of the bill will no longer be posted. Such decrease cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
